BATTLESHIP MASSACHUSETTS IS BADLY DAMAGED AT BAR HARBOR

THE BATTLESHIP MASSACHUSETTS.

(ASSOCIATED PRESS CABLEGRAM.)

BAR HARBOR, Me., Aug. 13.—During a dense fog the United States battleship Massachusetts struck a rock and was seriously damaged. She has been floated. The Massachusetts has been taking part in the war game.

The battleship Massachusetts is the sister ship of the battleships Oregon and Indiana and has had several serious mishaps during her career. Several months ago a gun on board the battleship exploded killing seven men and wounding others while the ship was at target practice off Culebra Island. The Massachusetts is ten years old and is one of the most powerful vessels in the navy.

Wide Streams Of Lava Flow From Vesuvius Crater and Cause a Panic.

At 'Frisco's Fistic Carnival Neal Wins in Second. A Crazy Man Shoots Into an Audience Doing Great Damage.

(ASSOCIATED PRESS CABLEGRAMS.)

BELGRADE, August 13.—The ministry has resigned because of personal friction between the assassins and non-assassins who compose it. The discipline of the army has been sadly shaken by the quarrel. King Peter's position is difficult. He is virtually a prisoner of the military and it is rumored that he has threatened to abdicate.

LAVA FROM VESUVIUS CREATES A PANIC

NAPLES, August 13.—Vesuvius is pouring out wide streams of lava and people living in its vicinity are panic-stricken.

Vesuvius has been threatening an eruption for weeks. Some time ago the central cone of the volcano collapsed and deep cracks recently made their appearance there. An electric railway runs from the base of the volcano to within a thousand feet of the crater. As the region around the volcano is very fertile and wine growing is an important industry it is likely that the present eruption will cause a large financial loss.

WON'T FUSE THIS TIME

Democratic Votes Are No Longer Wanted.

The Home Rulers Will Make Their Fight Alone.

Wilcox Doesn't Like His Wife's Paper—Beckley No Longer a Power in Politics.

Home Rulers will not fuse with the Democrats when it comes to the county campaign. They believe that they can carry the elections without the aid of the Democrats, and charge that members of that party caused their defeat a year ago. This much was practically decided upon at a meeting of the Home Rule Central Committee held at the Maunakea street headquarters yesterday morning.

On the other hand the Democrats claim that they do not want to fuse with the Home Rulers and intend to lay back without nominating a county ticket, endorsing the men on either side as they see fit.

The Home Rule meeting held yesterday lasted four hours. At the outset there were some differences of opinion over the proper representation in the meeting. It was claimed that members of the Central Committee could not hold office and vote in the Executive Committee meeting, there being members of the former committee who also belonged to the latter. The members of both committees were not

There was some discussion as to the plan of campaign that it was said after

the meeting that it was without definite result. At the conclusion an adjournment was taken to Saturday when a date will be named for the county convention.

TANBARA'S EXECUTION

Will Take Place Sharp at Noon Today.

The Body Will Receive Christian Burial By Minister.

Trap To Be Sprung By Electric Device—The Condemned Man Looks Well.

Tanbara Gisaburo, doomed to face the death of a felon today, looked better as his last sun was falling; low than he had appeared at any time since brought ashore from the vessel whose captain he slew. This is the view taken of him late yesterday afternoon by District Attorney Breckons, who accompanied Marshal Hendry to Oahu prison when the latter went there to settle preliminary details for the execution.

"Do you know me, Tanbara?" Mr. Breckons asked the prisoner. "Yes, you are the United States court," Tanbara answered in clear English.

At 12 noon precisely the death warrant will be read and interpreted to Tanbara in the condemned cell. Immediately at the conclusion of that ceremony of law, the prisoner will be led to the gallows in the prison yard and at once prepared for suffering the last penalty. Although Mr. Breckons does not think he needs an interpreter to

GREAT BOXING CARNIVAL OPENS IN SAN FRANCISCO

SAN FRANCISCO, August 13.—The fistic carnival opened here tonight in the battle for the bantamweight championship of the world. Neil defeated Forbes in the second round.

The pugilistic carnival which commenced with the Forbes-Neil fight in San Francisco last night will be at its height tonight when Corbett and Jeffries meet. Harry Forbes fought in defence of his title of bantamweight champion of the world. Frank Neil is a Californian. Of the three crack boxers developed in California during the past three years, Britt, Hanlon and Neil, the latter is considered the best fighter of the three in his class. Neil trained at Jim Corbett's camp and the latter declared several days ago that Neil was the best little man he had ever donned the gloves with. Neil is a bantam who is said to be a very vicious fighter.

WINFIELD, Kas., Aug. 13.—Gilbert Twiggs, a crazy man, shot into a crowd at a concert tonight killing three people and wounding twenty-five. He then committed suicide.

The Coming Extra Session.

OYSTER BAY, Aug. 13.—Several Senators conferred with the President today. A very early extra session is probable to deal with financial questions and the Cuban treaty.
