The Kentucky left Naples on May 4th and reached Gibraltar three days later.

She left that port on the 8th, touched at Madeira on the 11th and sailed for New York the next day.

A GREAT RECORD

Hard To Duplicate It In Maysville.

Scores of representative citizens of Maysville are testifying on the following subject. Such a record of local indorsement is unequalled in modern times. This public statement made by a citizen is but one of the many that have preceded it and the hundreds that will follow. Read it.

Mrs. W. F. Woodward residing at West End near Pogue's distillery says:

"Pains in the back and other evidences of a disturbed condition of the kidneys were quickly and thoroughly cured by the use of Doan's Kidney Pills which I got at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets. There is no reason why ladies should suffer from backache and kindred troubles when such a reliable and effective preparation can be had."
