Alive With the National Spirit

That lively, quick-action, hit-the-mark-every-time taste of "Bull" Durham has made it the Smoke of the Service from Maine to the Philippines.

GENUINE "BULL" DURHAM SMOKING TOBACCO

A "roll your own" "Bull" Durham cigarette has distinctiveness—character—personality.

Learn to "roll your own" with "Bull" Durham—a few trials will do it—and you'll get far more enjoyment out of smoking.

Ask for FREE package of "papers" with each 5c sack.

THE AMERICAN TOBACCO COMPANY.

The Weekly Bulldogger

MONDAY, MAY 8, 1916.

They Will Find the Knot Holes. The natatorium committee of the council is building a high board fence along the north side of the pool...

That Awful Ordinance. They were at the track meet Friday and were watching the discuss throw. Said she, "Why do the men turn before they throw the discuss?"

Frenchy at the Front. "Frenchy" Latourelle won the 50 yard dash last Friday, sprinting away from the field. Tom Thompson opined that "Frenchy" must have thought the starter's gun was a German 42-centimeter.

Africa Declares War on Germany. At least there are evidences of such belligerency. Gene Molitor was seen last week precipitately retreating before a menacing Ethiopian back of the Alexander store.

Why Not "Stay With 'Em"? As an evidence of how the Round-Up has stamped itself upon the life of the community, comes the following story from Ukiah. An elderly, pious but red-blooded deacon was a Sunday dinner guest at a neighbor's house.

Prima Facie Evidence. When Jack Robinson and Leon Cohen were passing through Pilot Rock last week, they spotted Newt Burgess' new car. Looking in the tonneau they saw three eggs. They looked at each other, "Ah, ha," they exclaimed in a single breath, "there's been chickens in Newt's car."

They Call Them Inspectors at the Dances. We wonder why it was that Mayor Best at the track meet Friday started perceptibly when the announcer cried, "Judges of the turn are wanted."

Police Have Narrow Escape. SEATTLE, May 6.—The police of the "Carrie Nation" squad wrecked a drug store and discovered enough nitroglycerine to blow them and the building to atoms.

COLDS QUICKLY RELIEVED. Many people cough and cough—from the beginning of Fall right through to Spring. Others get cold after cold. Take Dr. King's New Discovery and you will get almost immediate relief.

Several Wounded During Raid. LONDON, May 6.—Several who were wounded in Tuesday's Zeppelin raids were reported dying today. The dead probably will total a dozen.

Since the establishment of the Forest Products Laboratory at Madison, Wis., more than 12,000 strength tests have been completed on 13 species of American woods.

Cigars are regularly exported from the Philippines to forty countries.

Jack Swartz was in Dundan for a couple of days last week, relieving A. E. Covey, the second triek operator.

A. E. Covey went to Pendleton last Wednesday to see his wife who is in the hospital there.

Mrs. R. A. Bottcher and son, Richard, arrived from near Peola, Wash., to join her husband. Mr. Bottcher is to be the forest ranger on this district.

Mr. Baird of Pilot Rock Junction, arrived today to take up his duties as third triek operator here.

Roy Swartz has been working as relief operator here, for the last week. Leslie C. Rogers of Pendleton came up from Pendleton Saturday to visit.

WEATHER FORECAST FOR WEEK OF MAY 7

WASHINGTON, May 6.—During the coming week temperatures above the seasonal average are indicated for the Middle Atlantic, South Atlantic and Gulf States, the Middle Plains States and the Great Central Valleys. Moderate temperatures are probable in New York, the New England States and the region of the Great Lakes, while in the Northern Plains States, the Rocky Mountains and Plateau Regions and the Pacific States temperatures will average below the seasonal normal.

QUICKLY STOPS HEAD COLDS AND SNUFFLES

Catarrhal Germs Cause of Most Colds. New Germicidal Air Treatment Best Remedy for These Common Afflictions.

Reliable authorities say that upwards of 90 per cent of the so-called colds in the head and throat are in reality colds in the head and throat are in reality dangerous indications of the presence of acute catarrh.

The quickest and surest way to stop a head cold and drive catarrh germs out of your system is to pour a few drops of oil of Hyomei (pronounced High-o-mei) into one of the Hyomei inhaling devices which comes with each large package and place the inhaler between your lips and breathe the germicidal but pleasant smelling air into your nose, throat and lungs.

the great central valley and until the latter part of the week in the Atlantic states although unsettled weather is probable Sunday in the North Atlantic states.

E. H. BOWIE, Forecaster.

Suffered For Years

There are many people who will be interested in the experience of Mrs. Julia Byard, Fort Benton, Mont. She writes: "I suffered for years with gall-stones. A friend wrote me about Fruitola and Traxo. I started taking it and am completely cured now and feel better than I have felt for twenty years."
