LAST REFUGEES LEAVING YPRES

Near Admral Waterthalter in the capture of the arsenal of Anderlecht, in the suburbs of Brussels. The captured arsenal contains large quantities of arms and munitions which are in the hands of the Allies. The railway station is also captured.

NEWS OF THE WEEK AS CAUGHT BY THE CAMERA FOR READERS OF THE JOURNAL

This photograph shows the entrance to the arsenal of Anderlecht, in the suburbs of Brussels. The captured arsenal contains large quantities of arms and munitions which are in the hands of the Allies. The railway station is also captured.

ALL LIFE IS CHANGE

NATURE'S LAW AGAINST WHICH DO MANY REBEL.

Women especially return to the sepia tints that were attractive in the old world. In the new world, however, they may be somewhat more attractive. Women are sometimes more attractive in the new world than in the old world. Women are sometimes more attractive in the new world than in the old world. Women are sometimes more attractive in the new world than in the old world.

In the old world, women were sometimes more attractive than in the new world. Women are sometimes more attractive in the new world than in the old world. Women are sometimes more attractive in the new world than in the old world. Women are sometimes more attractive in the new world than in the old world. Women are sometimes more attractive in the new world than in the old world.
