### FOUR CONVENTIONS WILL BE HELD IN GRAND FORKS DURING AUGUST

# PLANS BEING LAID FOR SOME BIG

Postmasters, Druggists, Clerks and Hotel Owners Are

on the List

Four big conventions will be held in Grand Forks during the month of August. Three of these are state conventions and the fourth, an interstate meeting. The first convention will be that of the North Dakota Pharmeceutical association, which holds its sessions August 1, 2 and 3. The North Dakota League of Post-masters will gather for their meet-ings on August 3 and 4. The next as-semblage will be that of the North-western Hotelmen's association. The dates for this convention are August 16 and 17. The last meeting will be that of the District Court Clerks' association. The exact date has not been determined as yet.

Postmaster's Program.

The program for the postmasters convention is now being arranged by the executive committee and will be of general interest to the postmasters throughout the state. There have been many changes made in the different methods of conducting postoffice work during the past year, especially in the money order and registry business. The postal savings banks will probably be extended to all presidential offices in the near future. A great deal of information on those changes can be gained by attending the conventor tending the convention.

Papers on matters of general interest will be read by prominent postmasters. The feature of the conven-tion will be the question box, which has gained a great deal of favor in the past years. This feature will be in charge of R. H. Hugdal, inspector

Postmasters' conventions are now recognized by the department as most advantageous to the service and are encouraged in every way. An order has been issued by the postmaster general granting to all postmasters in the state leave of absence for a number of days in order that they may be able to attend the meeting. able to attend the meeting.

Social Features, While the complete program has not been arranged, one of the fea-tures of the entertainment will be an automobile ride at 7 o'clock Thurs-

day evening. After the drive, the guests will be taken to the Commercial club rooms for a social session. The officers of the league are: President-J M. Cubbison, Minne-

One of the features will be an automobile ride around the city, followed by a chicken pie supper at Lincoln park. The time for which the convention is scheduled will give the visitors from outside the state an opportunity to see the resources of North Dakota at their best.

Clerks of Court Come Soon. The date for the convention of the district court clerks has not yet been the past years. This feature will be determined. M. W. Spaulding, president of the association, will go to at large, who represents the postoffer with E. C. Gearey, one of the members of the executive committee.

"The staff of the library commission has been busy preparing an exhibit for the state fair. It will include sample traveling libraries adapted for school, community, club and farmers' use. A model catalogue accompanies the school collection, showing teachers how to make the contents of these collections of easy access to pupils. There are complete sets of forms and blanks used in technical library work. Many photos and plans illustrate library architecture. Bulletin boards show practical methods of interesting the public in the library and its resources. Here Is Positive Cure For All Foot Ailments

"Dissolve two tablespoonfuls of Calocide compound in a basin of hot water, soak the feet in this for full fifteen minutes. (Less time will not bring results). Massage the sore parts gently while in the water." This should be repeated for a number of nights until the cure is permanent. The effects are almost magical. All soreness goes instantly and the feet feel so good

that the whole nervous system is benefited. Corns and callouses can be peeled right off. Bunions are reduced and the inflammation drawn out. Sweaty, bad smelling feet and swollen, tender feet need but a few applications. Any drug-gist has Calocide in stock or will get it from his wholesale house. A twenty-five cent package is usually sufficient to cure the worst feet, Calocide is not a patent medicine Formerly used only by doctors, but now is obtainable by the public in general, and is saving many an hour of torture for thousands.
