**SECRETARY MADDO ELATED**

People Pleading to Take Figures
Proof of Administration Favored
for Tariff Law.

Washington—Treasury figures have shown that the federal government won Treasury enforcement of tariff laws, as shown by its receipts for the year ending June 30, 1914, and were about $35,000,000,000 more than expenditure for the year.

The Treasury Department has announced that it is not yet able to give a complete account of the administration of the tariff law, but that it is able to do so at the end of the year.

The Treasury Department has also announced that it is not yet able to give a complete account of the administration of the tariff law, but that it is able to do so at the end of the year.

**NEW CHARTER FOR ST. LOUIS**

New Organic Law for City Adopted by Nearly 5,000 Majority—Special Election.

St. Louis, Mo.—The new city charter for St. Louis, which has been adopted by a nearly 5,000 majority, was adopted by a vote of 3,200 to 1,700. The charter provides for the election of a mayor and council, and the city will be governed by a mayor and council for the first time.

**ULSTER IS READY TO FIGHT**

English Volunteers in Ulster Protesting Strangers of British Birth and Poised Firearms.

Ulster Volunteers in Ulster are protesting the presence of strangers of British birth and poising firearms. They have issued a statement saying that the Ulster Volunteers will not be held responsible for the action of any of their members, and that they will not be held responsible for the action of any of their members.
