Service Once

You'll find, as hundreds of other El Paso women have lately, that 1¢ per 10 lbs. Rough Dry Rates make home-washing out of the question. They're cheaper than your soap and homemade hot water, let alone your time, labor and general grief. Whether you or your help have been doing the heavy work, the whole house is upset and wash day is spoiled for anything else. Send your laundry to us and speed your time more profitably.
