Uncle Sam Buys Only the Best for His Sailor Boys

That's Why He Installed

McKEE ALL PORCELAIN
REFRIGERATORS

On the Battleships of the Navy

At sea the health of a thousand men depends on the keeping of food for weeks—food is only as pure as the refrigerator keeps it. On the cleanliness of your refrigerator depends your family's health. If government experts select the McKeen, why don't you investigate the reason—they believe them most sanitary of all refrigerators.

All sizes for all purposes.

The Battleship "Texas" One of the Newest and Finest Ships.

SCHOOL TEACHERS' PAY ANALYZED IN REPORT

Educational Bureau Says They Are Too Low to Afford Life Insurance.

Public school teachers of the United States receive salaries which are not sufficient to enable them to buy life insurance. This is the conclusion of a report recently issued by the Educational Bureau of the United States government.

The report shows that teachers in small towns and rural districts receive salaries which are not sufficient to enable them to buy life insurance. In cities, the salaries are higher, but are still not sufficient to enable teachers to buy life insurance.

In fact, the report concludes, the salaries of teachers in the United States are so low that they cannot afford to buy life insurance. The report recommends that the salaries of teachers be increased in order to enable them to buy life insurance.

The report states that the salaries of teachers in the United States are not sufficient to enable them to buy life insurance.

The report notes that the salaries of teachers in the United States are not sufficient to enable them to buy life insurance.
