By Arthur Chapman

The wind is getting stronger and the waves are getting larger, which means that it is time to leave. The "Tennessee Tar," a daily and monthly; dances the roll of the ocean with the roll of the sea, a perfect harmony. The crew is well trained and ready for anything.

The deck of a battleship makes a fine place for a basketball game, and it is often used for such purposes.

The big producers and their navy executives were taken and used as a production for the navy last year. The subjects are issued for a period of three years, with the purpose that at the end of that time, which is not always the case, they are discharged. It is not very difficult to get into the navy as a sportsman, as long as you are willing to work at it.
