**"You Need Selinger's Eye Service"**

The eyes of your child!

To the child whose eyes are defective the close-approaching school days are, indeed, trying. Many a child has attained but poor progress for no other reason than that the eyes needed attention. If you've the slightest doubt about your child's eyes consult with one of our optometrists—let him make a scientific examination, and if glasses are found necessary to correct the defect he will provide the correct lenses at the most reasonable prices.

**IMPERIAL GRANUM**  
Food for the BABY

The Proof of Baby's Food is in its Nourishment.

**IMPERIAL GRANUM**  
The Unadulterated FOOD

Makes Milk a Complete and Nourishing Food for Babies

It adds nourishment to cows' milk, forming a well-balanced food that contains fresh, vital food-elements found in mother's milk, most necessary for baby's health, vigor and development.

Imperial Granum, by its simple yet scientific preparation, overcomes the indigestibility of milk, making it wholesome and safe for every baby.

All Druggists 25 cts.
