

MOLINE'S SECTION OF THE ARGUS

Day's News Happenings in Rock Island's Sister City

MRS. C. A. BARNARD DIES IN THE WEST

End Comes at Portland, Ore., Where Family Went From Here Year Ago.

WAS LONG IN POOR HEALTH

Lived Here for Many Years and Was One of the Leaders in Social Activities.

News has come of the death of Mrs. Charles A. Barnard, formerly of this city, at her home in Portland, Ore., yesterday morning. She had been in poor health nearly all the time since the family removed to the Pacific coast over a year ago. Mrs. Barnard was for years one of the social leaders among Moline women.

Margaret Finley was born at Mich. Linda, Mich., 56 years ago. There she grew to womanhood and was married to Charles A. Barnard. Twenty years ago she removed to Moline with her husband, who was associated with his father, H. A. Barnard, in the Barnard & Leas Manufacturing company. The family home, Elmhurst, was famous for its hospitality. In 1912 the family removed to Portland, where Mr. Barnard is manager of the Dodge Manufacturing company, which specializes in the manufacture of wooden pulleys.

LEAVES THREE CHILDREN.

Mrs. Barnard is survived by her husband and three children. Elizabeth, wife of Lieutenant Gilbert H. Stewart, U. S. army, now located in the Panama canal zone; and Hughes A. and Nevin O. Barnard, of Portland. Her aged mother is also living and Mrs. B. R. Towndrow and Mrs. Thomas Casady of this city are relatives.

The funeral will be held Thursday, but aside from this nothing is known here of the arrangements. It is supposed interment will be at Portland.

MRS. AUGUSTA WALTER.

The funeral of Mrs. Augusta Walter, who died yesterday, will be held tomorrow afternoon at 2:30 from the home of her daughter, Mrs. A. L. Beckstrom, 1823 Eighteenth street. Rev. R. S. Haney will officiate and interment will be in Riverside cemetery. Mrs. Walter died of dropsy. She was

born in Sweden Oct. 15, 1861. For a number of years she lived at St. Joseph, Mo., coming to Moline a year ago. Besides Mrs. Beckstrom she leaves another daughter, Mrs. Carl Gellerstedt of Moline, and a son, Arthur Nelson of Houston, Tex. A brother and sister in Sweden also survive.

BOWLING LEAGUE IS IN NO DANGER

Meeting to Be Held to Patch Up Differences of Twin-City Members.

There will be no split in the Twin-City Bowling league. At a meeting to be held at the Eagle alleys in this city tomorrow evening, it is more than probable that the trouble threatened as a result of failure to recognize the Moline contingent with a fair share of the offices will be patched up. Assurances to this effect are understood to have been given.

The meeting will be the last one before the opening of the league season. Assurances to this effect are beginning of play will be made.

Moline bowlers were to have met Monday evening to organize an independent league in this city, but the session was not held because it was found that the difficulties which threatened the Twin-City organization could be easily removed.

Churchill's Colts last evening defeated Vern Thorngren's team three straight, by a total of 195 pins.

ALREADY PLANNING FOR POSTAL HOLIDAY RUSH

Postmaster A. T. Foster is already planning for the immense business which the parcel post is expected to bring to the postal department under the new regulations, which admit of the sending of parcels weighing as much as 20 pounds. It is likely that a rearrangement of the postoffice will be made before the holiday rush begins to promote convenience in the handling of parcels.

Nurses to Meet.

The Rock Island County Graduate Nurses' association will meet tomorrow afternoon at 3 o'clock at the corner of Third and Sixteenth streets. This will be the first meeting of the fall.

HOLD RICHMOND PROMISED HELP

Conditional Upon Henry Re-fraining from Pressing Bridge Mandamus Action.

NOW GOING ON WITH FIGHT

Statement Made at Cambridge Conference That Rock Island County's Money is Year Overdue.

That Chairman George H. Richmond and two other members of the Rock Island county board paid a visit to the Henry county supervisors two years ago and made promises binding this county to help build a bridge across Rock river at Coloma was the statement made by Henry county supervisors at a conference held at Cambridge Monday.

It was claimed that the Henry supervisors were told that if the mandamus suit to compel an appropriation for the bridge were not pressed by Henry county that the chairman of the Rock Island county board and the two members who were with him would see that an appropriation was passed at the next fall meeting. That meeting was the one held a year ago.

SAY THEY WILL WIN.

On the strength of this promise, as well as the altered condition of Rock Island county finances since more revenue is in sight, the Henry county supervisors say they are confident they can now win the suit and they propose to press it with all possible speed.

A. B. Johnson, president, and G. L. Walker, secretary of the East Moline Commercial club, attended the meeting and pledged the aid of their organization, financial and otherwise, to bring about the appropriation of Rock Island county's half of the fund for the erection of the bridge.

ILLINOI IS REORGANIZED

Fast Football Eleven Will Be in the Field This Fall.

Reorganization of the Illinois football club for the season was effected at a meeting last evening at the Wagner opera house. E. Mulera was chosen manager, A. J. Coyne captain, and A. Towndrow, former end of the Illinois

university team, was picked for coach. Practice will be held three times a week—on Tuesdays, Thursdays and Fridays. Ten members of last year's squad will be in line. They are Peacock, Duffy, Wright, Ellstrom, Hill, Coyle, Meersman, Vershish, Payton, and R. Young. Soderstrom, former high school player; Gelman, with the Haskell Indians for a number of years; Majorkurth, formerly with the West Ends, and Berglund, Shinn, Fowle, Kipp, Holland, Thompson and E. Young are among the new players.

HEAR PRESIDENT OF STATE LEAGUE

Tri-City Lutherans Enjoy Address by Axel Nelson at the First Church.

Axel Nelson, president of the Luther league of Illinois, who is touring the state on his vacation, spoke at the quarterly meeting of the Tri-City Lutheran church in this city last night. There were over 300 present.

Mr. Nelson's topic covered the elements which make for success in the league. He held that the smaller units in the work should be given first attention, for if they are looked after the results of the general organization cannot fail to be satisfactory. A fixed purpose toward which all ends are made to bend should be the aim.

Five churches were represented at the meeting, the First and Immanuel Lutheran of Moline, the First and Grace Lutheran of Rock Island and St. Paul's of Davenport. August Erlman, president of the league, presided. Other members on the program included:

Vocal solo—Miss Esther Johnson.

Instrumental trio—Hjalmar Fryxell, Esther Fryxell and Hugo Gibson.

Selection—Male quartet from First church, Rock Island.

Reading—Miss Helen Isaacson.

Piano duet—Esther Fryxell and Minnie Johnson.

RAIN HAS NO EFFECT ON STREET CARNIVAL

Waterproof tents protect the Brundage shows, which are here this week under the auspices of King Philip tribe of Red Men, from the rain and so the carnival will go on merrily no matter what the weather.

The opening was all that had been expected. The grounds on Fourth avenue between Seventeenth and Nineteenth streets were brilliantly lighted and all of the 20 attractions carried were well patronized. Particular interest was shown in the Evans "ten in one" show and in the trained animal arena. The company carries two electric lighting plants and a military band. Free exhibitions are given every afternoon and evening. The attractions are all clean and free from objectionable features.

FIRST PRACTICE FOR THE FOOTBALL SQUAD

Thirty candidates for places on the high school football team were out last evening at Browning field for their first workout. Coach Burroughs, assisted by Karl Adams and R. W. Fairchild, gave them plenty to do. At first there was punting and catching practice and then some preliminary instruction in signals was given. Later an eleven was made up and ran through signal practice.

The coach is encouraged both with the number of men who are trying to make the team and the quality of the material he has to work with. The average weight is greater than it was last year and there are plenty of experienced players to form a nucleus for a winning eleven.

King, who played on the team last year and who will not be on the team this year because of parental objection, has been appointed trainer.

OFFICER TAKES CHARGE OF HORSE WITH SORE BACK

George Kemmerling of the city health and safety department, today took charge of a horse the back of which was bleeding from a sore caused by a defective harness. The driver, who is employed by the Palace Dye works of Rock Island, protested that the animal did not belong to him and so he was not held. The horse, it seems was hired from Murrin Bros' livery in Rock Island and that firm was advised to send another animal to pull the wagon, and to take the one with the sore back to the stable for treatment.

FIVE TEAMS NAMED FOR MEMBERSHIP CONTEST

Five of the 10 teams which will work for members of the Moline Y. M. C. A. in the state contest to be held Sept. 25-27, have been named. Others will probably be named at a meeting of the leaders Friday evening. C. S. Trevor and Martin Johnson were named as publicity agents for the contest. The cup which the winning association will be awarded is of silver and was put up by C. S. Kilbourne, president of the Aurora Y. M. C. A.

Coburg—Eight persons were killed and six injured in the collapse of a tenement house due to a gas explosion. Six families were buried. It is believed seven missing persons remain in the ruins.

OFFERS TO GIVE LAND FOR STREET

East Moline Company Ready to Contribute to Opening of Thirteenth.

IF PEOPLE SOUTH ACT

Automatic Phone Company Declines to Pay \$2,000 for Franchise and Negotiations End.

Thirteenth street, East Moline, will be opened south to Coloma avenue if the people living along the proposed route are willing to cooperate. Judging by the success they met with last spring in raising money for this purpose the enterprise will not be allowed to fall on their account.

At the regular meeting of the East Moline council George W. Ross of the East Moline Land company pledged the right of way as far south as the city limits free of charge. The donation was made conditional upon the people farther south doing their part. If opened Thirteenth street will be the main avenue of approach to the city from the south. Two routes are under consideration, one following a straight line and the other passing through the bottom of a valley.

PHONE NEGOTIATIONS HALT.

Negotiations with the Home Automatic Telephone company which is asking a franchise in the city came to a halt when letters and telegrams from the men backing the company were read refusing to consider paying \$2,000 as consideration for rights in the city. The council made it clear that there would be no action taken until the company came to these terms, which are similar to those under which the Central Union Telephone company was admitted.

For the third time an application for a saloon license made by Alec Milleon, who wishes to locate at Fifteenth avenue and Sixth street, was turned down. The council stands firmly against licensing a saloon west of Seventh street.

The resignation of H. C. Paddock as city engineer was reconsidered so that he might complete certain undertakings that are now in progress. Though he leaves this week for Texas he will still be at least nominally in charge of the office.

A contract for 1,500 feet of sidewalk on Sixteenth avenue and Fifth street was awarded to A. Swenson, the price being \$1,080.

MOLINE MAN GETS A LETTER FROM SPAIN

James First, the retired lumber dealer, is in receipt of one of the well known "letters from Spain," in which the writer invites his co-operation in rescuing his beautiful daughter from a terrible fate and advises the Moline man that he can make a comfortable fortune by carefully following directions. Mr. First, however, expresses a total lack of interest in both the fair Spanish maiden and the money that is represented to be connected with the deal.

CHILD, TAKEN ILL IN TENT HOME, PASSES

The two-months' old daughter of Mr. and Mrs. E. Rogers, who recently removed from Kansas to Illinois, died last night of cholera infantum at the home of James Hill in that village. Another child of the bereaved family is in a critical condition. Since coming to Illinois the Rogers family has been living in a tent on the hill. Learning of the affliction which had befallen them Mr. and Mrs. Hill offered the use of their home to the mother and two children that they might be better cared for.

EAST MOLINE EAGLES TO DOUBLE THE MEMBERSHIP

East Moline Eagles propose to bring their membership up to 300. To do this it will be necessary to add 150 to the present number and a dispensation from headquarters reducing the initiation fee for a big class has been asked. This class, it is proposed, to initiate between now and the holidays. The degree team recently organized, is holding weekly meetings for drill. If the membership is raised to the desired figure it is probable that plans for erecting a building to serve as home for the lodge will be realized.

MOLINE MERCHANTS HOLD THEIR FEAST NEXT MONTH

The Moline Retail Merchants' association will hold its annual banquet next month. The exact date has not been set. This much was decided at the first fall meeting held last night. Arrangements were left in the hands of the entertainment committee. Some good speaker, probably from abroad, will be secured for the occasion.

HIGH SCHOOL SENIORS DISCUSS CLASS PLAY

Seniors of the high school decided at a meeting at noon today to take up shortly the annual class play. It is the intention to make an early selection of the vehicle and the cast and to rehearse till there is no possibility of failure. Margaret Pierce,

RESOLVED THAT THOSE WHO EAT OUR NOON-DAY LUNCHEES SING THEIR PRAISE EVER AFTER. BUSTER BROWN.

IT STANDS TO REASON THAT WHEN A PERSON MAKES IT THEIR SPECIAL BUSINESS TO SERVE ONLY THE BEST QUALITY OF LUNCHEES, PUT ONLY THE BEST INGREDIENTS INTO THEM, COOK THEM PERFECTLY IN A MODERN OVEN, THEY WILL HAVE THE BEST GOODS THAT CAN BE SERVED. THAT'S WHY OUR LUNCHEES ARE SO POPULAR AND DELIGHTFUL.

WATCH FOR OUR HOT SUPPERS.

CHURCH EXPELS NOTED PREACHER

Rev. Hamner, General Conference Evangelist, Dropped by Free Methodists.

Chicago, Ill., Sept. 17.—Rev. W. G. Hamner, for 12 years general conference evangelist for the Free Methodist church, and for the past year pastor of the St. Charles, Ill., Free Methodist church, was yesterday found guilty of misconduct and was expelled from the church and conference.

WOMAN IS FINED FOR BOOTLEGGING

Beulah Priskos, who operates a coffee house on Fifteenth avenue and Tenth street, East Moline, this morning in Justice Cartwright's court was fined \$50 and costs for selling liquor without a license. Her attorney prayed an appeal to the circuit court.

LUTHERANS AT SWEDONA HOLDING A CONVENTION

Rev. A. Bergstrom of this city is taking a prominent part in the Rock Island district Lutheran conference being held today and tomorrow at Swedona. All churches in the district are represented by ministers and lay delegates.

Reading His Fortune.

A negro, having won a dollar at a crap game, decided to spend it on having his fortune told. The fortune teller led him into a gloomy room with dirty hangings and misty red lights. She took his palm, traced it with a dollar, spread out her cards and then said: "You are very fond of music; you like chicken; you have won money at craps, and you have been in jail."

Two Staried.

Elmer, aged six, accompanied his father to the circus one afternoon. Among the many strange and bewildering things he saw was one man standing on the shoulders of another.

To Make Sure.

Mrs. Younglove—If I wasn't afraid baby was sick I do believe I should spank him. Younglove—Well, let's make sure. You begin speaking, and I'll go for the doctor.—Puck.

"They're Coming Back"

All the news all the time—The Argus.

Proved by Broadsides

THE terrific shock of a broadside on a man-of-war is the most destructive test that can be applied to incandescent lamps, yet Bryan-Marsh MAZDA lamps stand it 50 per cent better than old-fashioned carbon lamps, and in addition give three times as much light and better light at the same cost—current and lamp included.

Nothing like the broadside test ever occurs in your home and you don't need to worry about breakage or fragility if you buy Bryan-Marsh MAZDA lamps in the blue Convenience Carton containing five lamps.

BRYAN-MARSH MAZDA

The Quality Lamp

Put a Bryan-Marsh Mazda Lamp In Every Socket Before You Pay Your Next Light Bill

You can have at home exactly the same kind of lamps as are used on modern battleships—the same as revolutionized the lighting of the New York Subway trains and made the lighting of automobiles by electricity possible—if you will be careful about the name—

BRYAN-MARSH MAZDA when you purchase. Prices reduced again last July.
