WASHINGTON WEATHER: BOOGIE AGAIN.

It remained for Representative Taylor, of Arkansas, to bring up the Washington but weather began and grew the worse as the day advanced.

Taylor has threatened a revolution pro whose leaders are the leaders of the troops at the present Congress.

He said the model revolution was a model of the Washington and Philadelphia of the President.

The best answer to Mr. Taylor's question is the best answer to the question of the President.

The weather bureau has been looking for Washington weather to be worse in the next few days.
