THE LAST SURVIVING OFFICER OF THE MONITOR

CAPTAIN L. K. STUBBS

In his youth, the Monitor was built and served under his command. It was a small, fast, and powerful vessel, designed for the purpose of destroying the Confederate ram CSS Virginia. The Monitor was armed with a 10-inch gun, and was capable of reaching a speed of 12 knots. The Monitor was commanded by Commodore A. D.supply, and his men were the best in the Navy.
