THIRTEENTH YEAR

TEETZEL'S MEN MAKE BASEBALL TRIP TO PROVO

Some Comparative Records of Coaches in Athletics at State Institution

Coach Teetzel will take his baseball men south today and the final game of the season will be played with Provo. This game will mark the close of athletics at the College for this year, and already there is a great deal of talk being indulged in by local followers of athletics as to the plans for next year. It has become known that more attention is to be paid to athletics at the college next year than has been given that branch of work in the past. As carried on now only a few football, baseball, basketball and track men get the benefit of the college gymnasium. Of course that place is open to all but there is no systematic training given the students here, and the whole energy of the department is given to making the strong man stronger and the fast man faster, the average student gets little or no good from the department of physical education.

An effort is to be made to correct all this and next year there will be regular courses of instruction given there and credits will be given for all work done. To carry out this policy more help must be provided and the matter of procuring an assistant coach or other help for Coach Teetzel, is now being considered. Dr. Frank West, chairman of the College athletic council is known to favor the employment of an assistant coach, but the final determination of that matter will rest with President Widsow and he has not had time to consider the matter fully.

But at any rate, athletics are to be put on a firmer and better footing at the College and every student will be interested in the physical education work, if it is possible to interest him. The college has had a fairly successful year in athletics, all things considered. Some of those who love to keep the records straight have gotten out figures which show the work done by the different coaches of the college, and they prove that the present Coach has been much more successful than his predecessors.

The figures in baseball could not be given because Coach Fred Walker failed to leave a record of the games played while he was coach, but the baseball record of Teetzel is the best anyhow. The other figures are as follows:

Football

Coach Campbell played 14 intercollegiate games. He won 3, lost 10 and was tied in one contest.

Coach Walker played 3 and lost them all.

Teetzel has played 26 games; won 11, lost 13; tied 2.

Basketball

Coach Campbell played 9 intercollegiate contests and lost all.

Coach Walker played 8 games; won 1 and lost 7.

Coach Teetzel has played 47 games, won 11, lost 36.

Dual Track Meets

Campbell held 6. Won 4, lost 2. Walker held 3 meets, won 1, lost 2. Teetzel has held 16 meets, won 8, lost 7, tied 1.

State Track Meets

Coach Campbell was second one year and third two years.

Coach Walker was third one year with 18 points.

Teetzel has been third, twice; second three times, won one state meet and tied with B. Y. U. for another.

Youthful Visitors Disporting In Crow's Nest of Monitor Tonopah In North River.

Photo by American Press Association.

In the great review of the Atlantic fleet in the North river the first detachment to arrive and attract attention was composed of the submarine flotilla and its mother ship the monitor Tonopah. Thousands of persons lined Riverside drive and when the word went about that visitors would be allowed aboard the Tonopah hundreds of youngsters, after getting on board, climbed the rigging and soon were in all parts of the ship. In the accompanying illustration the youngsters are shown in high glee watching one of the crew signaling to another boat in the river. It was a day of days for the kiddies. They enjoyed every minute of their stay.

PROGRAM AT N. J. ACADEMY THIS EVENING

Will Hold May Fete on the Lawn if the Weather Conditions Will Permit

The physical culture department of New Jersey Academy will hold a May Fete on the Academy lawn this evening at 8:30. Regular physical work was offered in the school for the first time last year, and although the department is new and most of the girls inexperienced, much interest and pleasure has been found in preparing the program of the evening. All friends of the school and all those interested in the work of the department are cordially invited to attend.

A selected number of dances given below will suggest the nature of the entertainment, and between the numbers Miss Rate Myers will read several of our most beautiful and appropriate spring poems and Miss Murray will play.

The Banishment of Winter Days
The Enthronement of Spring
The Dance of the Daffodils
The Flight of the Daffodils
The May Queen .. Phoebe Goodwin
Rose Dance Zelma Boyd
Dance of the Sunflowers
.. Mildred and Dorothy Murdoch
The Summons to the May Day Celebration

Crowning of the May Queen
Lantern Drill and Maypole Dance
The Triumph of Spring
Should the weather prove unfavorable, the program will be given on Monday night.

The staff representing the Junior class which is responsible for the Buzzer is composed of the following: Irvin T. Nelson, editor; Lowry Nelson, associate editor; Edwin K. Winder, business manager; Arthur N. Caine and Seymour J. Quinney, assistant business managers; Fred Braithwaite, artist; Francis Coray, classes; Anna Taylor, organizations; Orval Ellsworth, activities; Arthur N. Caine, athletics; Kathleen Bagley, campus life; Roy Russell, photographer; and Leroy Hillam, assistant photographer.

D. C. JENSEN ON THE PROGRAM

Superintendent of Box Elder Schools Will Address Training School Pupils

The Training School at the Brigham Young College are arranging for a very interesting Commencement program to be held at the B. Y. College, Tuesday evening June 1. Some of the features of the program will be: Address by Supt. D. C. Jensen; valedictory, Bessie Law; Salutatory, Wilford Carlisle; story, "Cousin Rufus," Harvey Thompson. The music will be: piano solos by Margaret Budge, and Evelyn Jensen; violin solo, Leslie Jenkins; cornet solo, Oliver Edwards; trio, Seth Davidson, Lucy Shaw, Areba Crockett. Other numbers will be given by the choruses and the College orchestra.

The Training School has been doing some very excellent work this year and consequently is becoming popular. Next year the first, third, fifth, and seventh grade work will be given. The college is preparing application forms for the few new openings there will be in the Training school. The first year class will be composed of course of new applicants, in the other grades, however, there will be few places as most of the students already in the school will remain.

The eighth grade students are in the midst of their examinations now. There are twenty-six students in the class. From indications of the year's work all of these students will graduate.

One of the pleasing features of the year for the Training school was the very excellently planned and executed dance given in the B. Y. gymnasium on Thursday night.

SALT LAKE RETAIL CLERKS COMING HERE

Will Play Game of Baseball With Logan Team on Decoration Day May 31st

The Logan baseball club closed negotiations with the Salt Lake Retail Clerks' nine yesterday afternoon, whereby they play a game of baseball in Logan on Decoration Day. The Logan team has been out at practice for some time and will be able to give as good exhibition of baseball as could be expected. It will be remembered the Clerks came to Logan a year ago and were beaten by the narrow margin of one point. The game then was one of the best that has been played here in a long time and just as good exhibition as the one a year ago is promised. Efforts will be made to center all valley baseball interests in Logan for the Decoration Day game. Preston will be asked to come down with their fans; Richmond, Lewiston, Franklin, Smithfield, Hyrum, and Wellsville, not forgetting Cache Junction, are cordially invited to witness the game.

The Logan team will be composed of the best material obtainable. New suits have been purchased and a complete outfit for keeping the team together all summer is provided. Among the players from whom the team will be chosen are the following, practically all having had experience in semiprofessional baseball:

Cliff Watkins, Floyd Rose, Fred Lundberg, Victor Christensen, Brig. Johnson, E. Ecklund, Ross Rowe, Marshall Allen, Willard Garr, George Cummings, Chester Squires, Bert Busby, Fritz Skanchy, Barron, Adams Mose Reader, Shorty Musser, B. W. Venable and Ralph Busby.

PRESBYTERIAN CHURCH

Arthur F. Wittenberger, minister. Bible school 10 a. m.; communion service 11 a. m.; Christian endeavor 6:45 p. m. preaching 7:30 p. m. All are welcome.

Mrs. T. D. Roberts will have a sale on hats all next week.—Adv.

BAND CONCERTS MAY BE GIVEN THIS SUMMER

Commercial Club Committees Taking the Matter Up. Baseball Talk at Club Meeting

At the regular monthly meeting of the Commercial Club held Wednesday, May 19, the matter of having band concerts during the summer, and other questions were discussed. It was decided that if suitable arrangements can be made that the Public Entertainment committee of the Club negotiate with the Logan Military band for concerts during the summer months.

It was suggested that the game of baseball to be played between the south and north parts of town be made a big affair, a half holiday declared, and the gate receipts be used by the Entertainment committee to help pay for the band concerts during the summer. It was reported that the ball players would be glad to contribute their services for this cause. It was decided that the matter be referred to the Outdoor Sports Committee with power to act. The details will be announced later.

The Roads Committee reported the work done on good roads day and the amount of money collected for road purposes.

It was suggested that we have a Market day each week and the merchants offer special bargains, and it possible to arrange for special rates or free transportation over the Interurban as inducements to the people. The matter was referred to the Advertising and Promotion committee with power to act.

The following applicants were elected as members of the club: George Napper and W. W. Haws.

POSSIBILITIES ARE GREAT FOR OGDEN PLANT

A most favorable indication of what are the future possibilities for the local plant, which the Utah Cereal Food Company is now building in Ogden, is seen in the following report of the condition of the Quaker Oats Company as copied from an issue of Printers' Ink, published in New York City, March 18, 1915.

FAVORABLE SHOWING BY QUAKER OATS

The net profits of the Quaker Oats Company for the year ending December 31 were \$2,367,251, an increase of \$80,241 over the earnings of the previous year. The total dividends were \$1,289,980, and after allowing for shrinkage a surplus of \$809,669 was set aside, bringing the total surplus to \$3,772,751. The report to the shareholders states that the German mill, owned by the company, has been working night and day since the beginning of the war. Sales in Great Britain and France have shown a large increase. One of the nations at war confiscated a large consignment of Quaker Oats and fed it to cavalry horses. Payment was made in due course, however. Only one foreign shipment failed to reach its destination and is now interned in Brazil.

KAISER UNDER FIRE; HAS NARROW ESCAPE AND HURRIES AWAY

Geneva, May 20.—The German emperor and his staff had a narrow escape on Sunday while watching the operations in a village near the river San in Galicia. According to a dispatch from Budapest, which reached here by indirect route, a heavy shell burst 500 yards away. It fell among some automobiles, destroying several machines, including the emperor's and killing his chauffeur. The emperor had left his car only fifteen minutes before.

As more Russian shells were falling in the neighborhood the emperor and his staff left hastily in machines which they commandeered.

A quarantine has been raised at the home of Mr. and Mrs. C. C. Cressall on account of a small child being ill with scarlet fever.
