NO BUTTER FOR THEM

New York, Jan. 21.-Letters have begun to arrive in absentia at the offices of the New York Herald, protesting against the introduction of the new butter substitute. The editor has been advised that more than 300,000 letters have been received and are being read daily. The letters vary from a few words of praise to long and eloquent eulogies. The editor is said to be most impressed by the letters from children, who have expressed their joy in a language that is often difficult to understand.

NEARLY FATAL

Celebrate Centennial

New York, Jan. 21.-With both hands, the editor of the Herald arrived at the office this morning, expressing his satisfaction with the results of the new butter substitute. He said that the experiment had been a great success and that he was looking forward to further developments.

REPORT ON BOOKS

Whittier, Jan. 21.-For the second consecutive year, the Bell Telephone Company has published a comprehensive report on the progress of the telephone system. The report, entitled "The Telephone System of the United States," covers the entire country and includes detailed information on every aspect of the system. The report is said to be a valuable resource for both consumers and government officials.

KILLED IN PLAY

Girl Dies While "Circulating" Reception Goes Off.

Chicago, Jan. 21.-A tragic accident occurred at the reception given by the Chicago Women's Club last night. A young woman, who was among the guests, was killed when she was struck by a wild animal. The animal, which had escaped from the club's men's club, was killed by the police.

FOX IN PLAY

The Octopus, Soon To Be Known As C 1, In Drydock

Henry M. Flagler, Standard Oil Magnate Who Overtook Railroad.

The Octopus, the notorious pirate ship, has been caught and is now in drydock. The ship was captured by the United States Navy, and its captain has been arrested. The octopus was notorious for its raids on coastal towns and its attacks on merchant ships.

HAVE CORNER ON POULTRY SUPPLY

New York Commission Men Will Boost Prices

Former receives seven to eight cents for chicken that will be quadrupled in price before reaching consumer's table. Formerly, New York's scheme to ship chicken to other parts of the country has been a success. The new plan is expected to increase the price of chicken by at least five cents per pound.

RAILWAY OVER SEA

Opened To Traffic

Key West Celebrates Marriage To Mainland.

Key West, Fla., Jan. 21.—A major milestone in the history of the Florida Keys was reached yesterday when the railway line was opened to traffic. The railway was built to connect Key West with the mainland and is expected to boost the economy of the area. The celebration was attended by thousands of people.
