ITALY SOON TO DRAW SWORD

General Mobilization Order Awaits King's Signature Only, Is Report; Romans to Strike Simultaneously Is Belief Expressed in Rome Intenentist Press; Bulgaria to Remain Neutral.

Veera the Berlin and Amsterdam, March 2, - Reportedly sending north large numbers of the Carpathians are now in contact with the Austrian forces, according to the Berlin and Amsterdam telegrams. Enemy troops are believed to be moving in the direction of Transylvania, and the Austrian forces are expected to be massed in the area of the Carpathian passes. The following official statement was leaked to the Press:

"The Italian forces operating in Transylvania are advancing toward the fortress of Chiva in the direction of Transylvania, and are expected to be in position by tomorrow."
