Attention  
Please do not pour anything into the Lower Sink. It does not work.

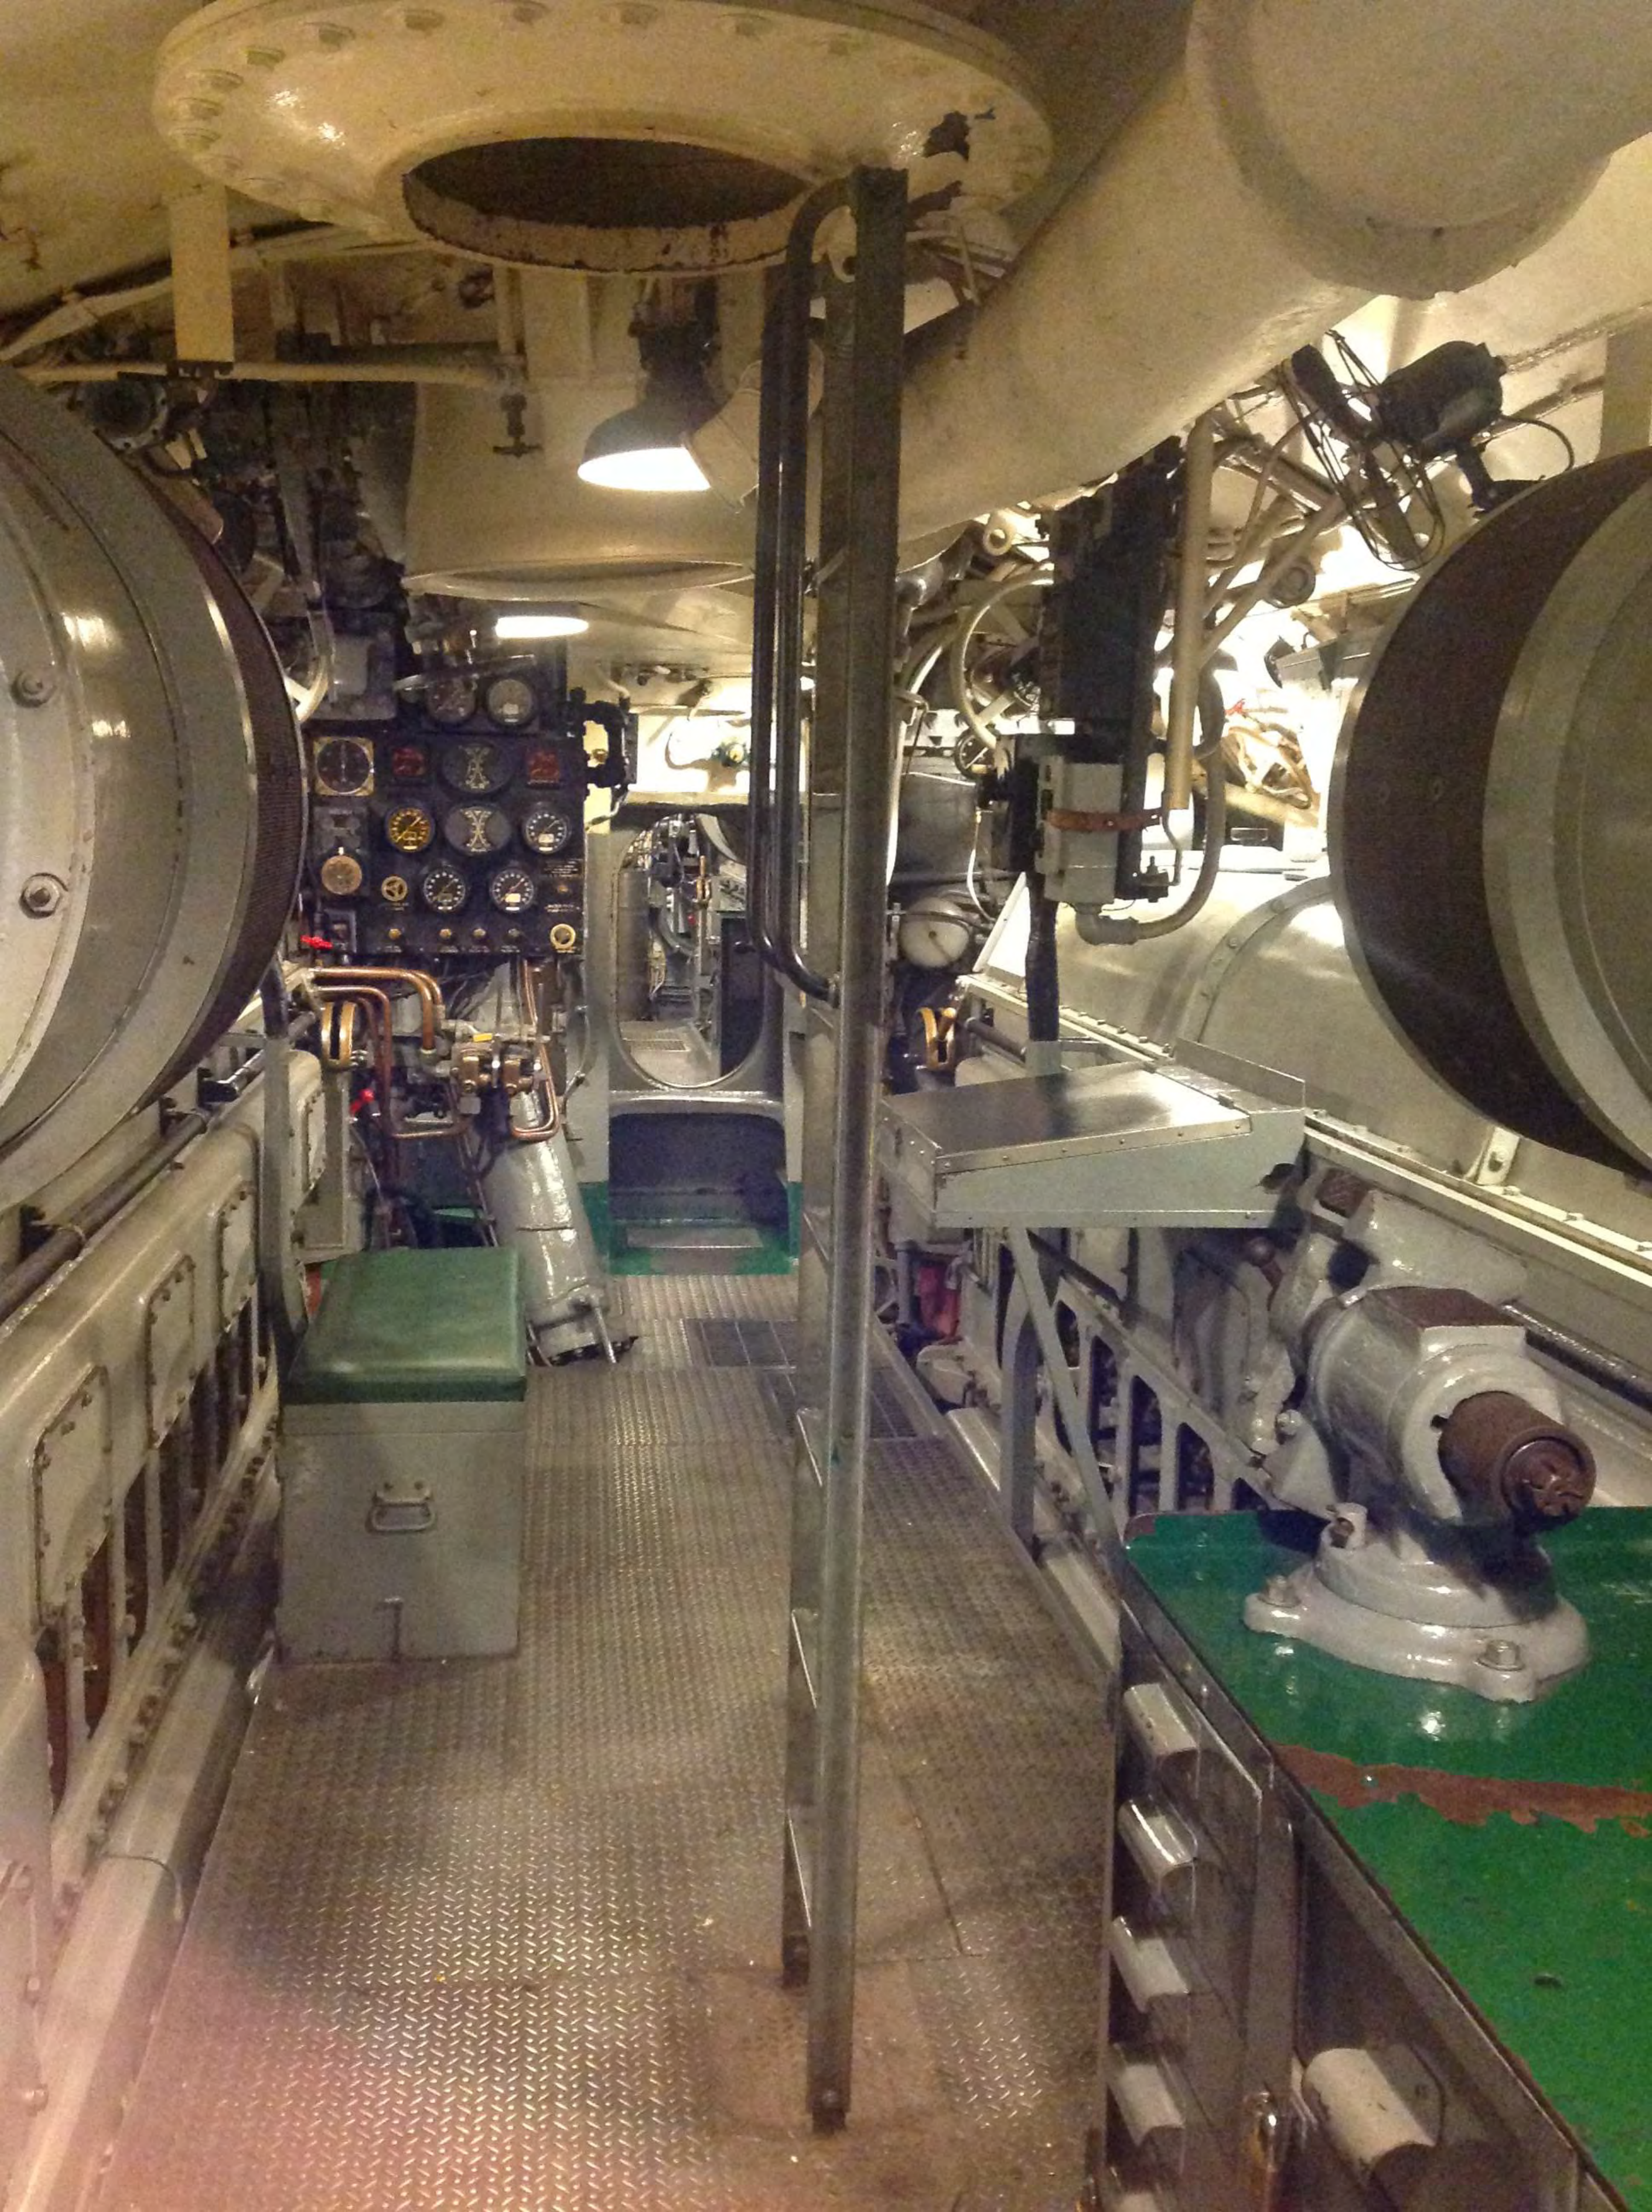

A grid of numerous small gauges and meters. Labels include 'GENERATOR 1', 'GENERATOR 2', 'GENERATOR 3', 'GENERATOR 4', 'BATTERY', and 'LOW OIL OIL PRESSURE'. The gauges have various scales and colors, including black, white, and orange.

A vertical column of four large, dark, cylindrical components, possibly relays or switches, with the 'Westinghouse' logo visible below them.

A control panel on the right side of the main panel, featuring a 'LOW OIL OIL PRESSURE' indicator and a 'MOTOR AND GEN. GROUND DETECTOR' section with various switches and labels.

A row of ten large, vertical, wooden-handled switches or levers, each with a metal base and a wooden handle.
