

TOP GUN

USS RANGER CV-61

The Stealth Carrier of The Western Pacific

Additional Information

We hope you enjoy the ceremony. USS RANGER is a truly great ship and has played an important role in America's history. Today's ceremony marks the end of a significant chapter in Naval aviation. Known as the "Top Gun of the Pacific Fleet", Ranger has been making history for 36 years. We salute the more than 120,000 members of the Navy-Marine Corps team who have served aboard her over the years.

Should you require any assistance of information during the ceremony, please contact one of the ushers.

Please allow enough time to be seated not later than 12:30 p.m. There will be limited handicapped parking and seating assistance available.
